Sir:

Applicant requests approval to amend the drawings as shown on the attached sheets. Specifically, FIGURES 6 and 7 are proposed to be added, for routinely illustrating the transmitter, means for inserting, receiver, memory, input means, comparing means and processing means (claims 1 and 36) and the transmitting, encoding, receiving, comparing and processing steps (claim 14). The proposed drawing are supported by the disclosure. No new matter is presented.

Approval of the proposed drawing figures is requested. Corresponding changes have been made in the Specification. Upon approval and allowance, applicant will submit formal drawings embodying the approved changes.

Respectfully submitted,

Dated: Sept. 21, 1994
